#### STILL A SPRINTER.

Prof. Forbes Can Not Overcome the Habits of His Youth.

Prof. R. H. Forbes of the University of Tucson came up from there Monday to take a look at the date crop. On his way to the orchard he met with a slight accident, the result of a habit formed while he was in college. In his school days Prof. Forbes had a great reputation as a sprinter. In fact, there was a time for several years that he held the championship for one and three mile runs in the state of Indiana. He still rides a wheel with much the same ardor that he used to run and that habit formed years ago was the cause of his downfall and incidentally a sprained wrist on Monday.

He was spinning along on a good road at his usual rate of speed when he suddenly ran up against and over a stone and a dog, both at the same identical moment. They cure every kidney ill.  
Mrs. M. F. Blanton, of 110 N. McCormick St., Prescott, Ariz., says: "I have had attacks of kidney complaint for a number of years, not constantly, but coming on now and then, some of them laying me up for two weeks at a time. Whenever I caught cold it settled right in my kidneys and severe suffering was sure to follow. As a rule it was accompanied with dizzy spells and nervous headaches and naturally I ran down physically, felt tired all the time and was actually in misery. I at last became alarmed about my condition and was always on the outlook for some means to check the symptoms but I met with very indifferent success until I went to the Brisley Drug Co.'s store for Doan's Kidney Pills and tried them. They helped me from the first. The treatment brought such genuine benefit that I feel like a different person."  
Just such emphatic endorsement can be had right here in Phoenix. Drop into the Brisley Drug Co.'s drug store and ask what their customers report. For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.  
Remember the name—Doan's—and take no substitute.
